Postal Mail: GEODA MEDICAL S.L. Av. Blondel 54, 3º - 25002 Lleida (Spain)

INFORMATION COLLECTION

Information gathering.

In this site we collect your personal information through several channels in order to provide an effective, efficient and personalized service.

1. Through the Order Register

Before using certain parts of the site or ordering products, you must complete an online registration form. During registration, you will be asked to provide us with certain personal information such as your name, billing and shipping address, telephone number, email address and credit card number. The use and destination of this data is to ensure a correct billing process, manage and send your order promptly and for analysis of our marketing department.

If we detect a problem when processing your order or when sending it, your personal information can be used to contact you and correct the problem.

2. Via Email Addresses

In several locations on our website you are requested to enter your email address for purposes such as: registering to receive information on new products, to subscribe to newsletters by email, to download technical information or studies of our products or to access software libraries of our products.

Your participation in any of these registries is voluntary and the information of the electronic mail introduced there will be used only to send you the information requested and for uses of our marketing department.

3. Registration files

As with most websites, the site's server automatically recognizes the Internet URL address from which you access the site. We can also register your Internet Protocol ("IP") address.

INFORMATION ABOUT DISCLOSURE POLICY

Our policy of disclosure and use of the information provided by you adheres to the following principles:

1. Internal use

We use your personal information to process your order and provide you with the appropriate service. Internally we may use your personal information to improve the content and design of the website, also to improve our own marketing efforts and to determine general market information about site visitors. In order to facilitate such use, we may share your information with our subsidiary companies under the control of GEODA MEDICAL S.L.

Communications with you

We will use your personal information to communicate with you about your orders and deliveries.

In addition, we can send you a confirmation email when you register with us. We may inform you of interference in the service on exceptional occasions when necessary (for example, if we must temporarily suspend our service for maintenance.)

In addition, we may send you commercial information about new products or inform you of current commercial campaigns. We can also inform you of the publication of new studies or assistance to events organized by our company as well as inform you of new versions of the downloaded software (libraries).

At any time, you can unsubscribe or stop participating in future emails, through the communication channels opened for that purpose and detailed in the section PRIVACY POLICY.

BASIC INFORMATION

a) RESPONSIBLE AND RECIPIENT OF THE DATA

The responsible and recipient of the data is GEODA MEDICAL S.L. and will never give your data to companies or external entities.

We do not make international transfers of your data.

b) PURPOSE AND LEGITIMATION OF THE DATA COLLECTED

The information we request will be used to meet your purchase orders and to contact us to help you with any questions or concerns regarding the purchase process on our website.

We will only request your information if you finally register as a customer and we will use your data to meet the legal requirements for billing and, in addition to improving our

service, keep you informed of our offers and promotions using segmentation techniques that allow us to adjust them to your interests and needs.

Remember that you can always oppose this purpose and the additional purposes by sending a letter to the indicated addresses.

Next, we include the main purposes that we have identified:

- Provide customers with the payment of any product or service offered.
- Comply with the different legal obligations.
- Manage the contracting of products or services offered, including distance selling and management of shipments and returns.
- Create and manage a personal account with a unique registry to be used in the acquisition of products and services offered.
- Channel requests for information, suggestions and claims from clients for their management and resolution.
- Surveys to improve our services.
- Market research and commercial prospection, consumer habits reports, operational statistical data, the date and time of access, the Internet address of the web accessed by our websites and also information on how you use our website. We use this information to know the loading time of our website, how they are used, the number of visits to the different sections and the type of information that most attracts visitors. It also helps to identify if the web works correctly, and if we detect errors or errors in the operation, solve them and improve the performance of our website. This information is collected through cookies, for more information see the cookies policy.
- For the fulfillment of a contract and / or business relationship.
- With your consent, to send personalized offers of our products or services.

c) COLLECTION OF INFORMATION

In this site we collect your personal information through several channels in order to provide an effective, efficient and personalized service.

Through the Order Register

Before placing product orders, you must complete an online registration form. During registration, you will be asked to provide us with certain personal information such as your name, billing and shipping address, telephone number, email address and credit card number. The use and destination of this data is to ensure a correct billing process, manage and send your order and other uses detailed above.

If we detect a problem when processing your order or when sending it, your personal information can be used to contact you and correct the problem.

Through email addresses

In several locations on our website you are requested to enter your email address for purposes such as: registering to receive information on new products, to subscribe to newsletters by email, to download technical information or studies of our products or to access software libraries of our products.

Your participation in any of these registries is voluntary and the information of the electronic mail introduced there will be used only to send you the information requested, and other uses detailed above.

Record files

As with most websites, the site's server automatically recognizes the Internet URL address from which you access the site. We can also register your Internet Protocol ("IP") address.

d) MODIFICATION OF THE WAY TO CONTACT YOU

You can change the way we contact you by the following means:

- By written and signed request addressed to GEODA MEDICAL S.L Avenida Blondel 54, 3º 25002 Lleida (Spain), Ref. RGPD, must attach a photocopy of the DNI of the applicant.
- Sending request together with a photocopy and / or scanned copy of the applicant's ID to the e-mail address spain@dynamicabutment.com
- Calling to the customer service number 973289580.

e) DEADLINE OF CONSERVATION OF YOUR DATA

We only store your personal information to the extent that we need it to be able to use it according to the purpose for which it was collected, and according to the legal basis of its treatment in accordance with the applicable law. We will keep your personal information as long as there is a contractual and / or commercial relationship with you, or while you do not exercise your right of deletion, cancellation and / or limitation of the processing of your data.

In these cases, we will keep the information duly blocked, without giving any use, while it may be necessary for the exercise or defense of claims or may derive some type of judicial, legal or contractual responsibility for their treatment, which must be attended to and for which your recovery is necessary.

f) DATA DISCLOSURE POLICY

We do not sell, rent, or disclose personal information about our customers.

Your personal information will only be transferred to the person in charge of the treatment established by the company as determined by the Data Protection Law.

Our policy of disclosure and use of the information provided by you adheres to the following principles:

Internal use

We use your personal information to process your order and provide you with the appropriate service. Internally we may use your personal information to improve the content and design of the website, also to improve our own marketing efforts and to determine general market information about site visitors.

Communications with you

We will use your personal information to communicate with you about your orders and deliveries.

In addition, we can send you a confirmation email when you register with us. We may inform you of interference in the service on exceptional occasions when necessary (for example, if we must temporarily suspend our service for maintenance.)

In addition, we may send you commercial information about new products or inform you of current commercial campaigns. We can also inform you of the publication of new studies or assistance to events organized by our company, as well as inform you of new versions of the downloaded software (libraries).

g) LINKS TO OTHER WEBSITES

The www.dynamicabutmentstore.com website may contain links to other websites. Users are encouraged to visit other websites through links located www.dynamicabutmentstore.com carefully read the Privacy Policies of the respective websites. These Conditions only apply to the website and the service www.dynamicabutmentstore.com

h) PROTECTION OF PERSONAL INFORMATION

We are committed to protecting your personal information. We use the appropriate technical and organizational measures, in order to protect your personal information and your privacy and review these measures periodically. We protect your personal information by using a combination of physical, computer or logical security controls, including access controls that restrict and manage the way your personal information and personal data are processed, managed and managed. We also make sure that our employees are properly trained to protect your personal information. Our procedures indicate that we may request proof of identity before sharing your personal information with you. In accordance with our guarantee of security and confidentiality, we are especially interested in offering you the highest level of security and protecting the confidentiality of the personal information you provide us. Therefore, commercial transactions are made in a secure server environment under SSL (Secure Socket Layer) protocol. If at any time you have problems accessing any part of our website, it may be due to the model or version of your browser or the configuration of the options.

Recommendations and precautions These are some of the precautions that we advise our clients should take:

- Do not provide anyone with the user, or the password.
- Do not point it in places of easy access: computer, calendar.
- Use our SSL security system always.
- Always switch off the browser session after accessing a security zone or entering the user's password.
